**# Sessions 1 session**

## What to expect

Mold and top 6 mouthwatering chocolate bars

- Work with fine tempered chocolate, gourmet ingredients and toppings, and professional tools
- Customize your creation every step of the way, including decoration and packaging
- Indulge in the world's most celebrated treat during a chocolatiering experience

## About this Activity

Calling all chocoholics! It's time to celebrate the world's favorite sweet treat!

During this chocolatiering experience, you'll mold and top 6 delicious chocolate bars using only the finest quality of ingredients.

You'll get to personalize your treats every step of the way, from choosing your favorite kind of base chocolate to selecting delicious ingredients and flavors to boost!

At the end of the session, you'll get to decorate and beautifully package your gourmet goodies to give away as delicious gifts...or to keep and devour (your sweet tooth will thank you)!

**Note:** Includes chocolatiering tools, instruction, and all the time you need to get creative with chocolate.
